MEMORANDUM FOR: Deputy for Field Activities, OSA
SUBJECT: FAA Waiver Request for ORCART
REFERENCE: Memorandum from C/OXC/OD/OSA to C/OD/OSA,
dated 22 April 1963; subject: OSA Compliance
with FAA

1. [redacted] visited Project Headquarters on 23 April 1963 to deliver an official opinion rendered by Mr. David Thomas, Director, Air Traffic Services, FAA.
2. Mr. Thomas was asked to review the provisions of Civil Air Regulations Amendment 41-2, effective 1 July 1963. This document establishes a requirement for civil aircraft to be equipped with Distance Measuring Equipment (DME) prior to 30 June 1963. The question of the applicability of this requirement with reference to the A-12 aircraft has been in question.
3. Mr. Thomas has ruled that the quoted Civil Air Regulation is binding upon civil aircraft only and that the A-12 aircraft is not subject to provisions of the regulation.
4. Lockheed Aircraft Corporation will be informed of this ruling. No further action is deemed necessary.
